Madrid, 28 July 2021.- The impact of the health crisis during the first half of 2021 has been limited due to the geographic and activity diversification of Grupo SANJOSE. The Group's equity and financial strength allows it to be confident that the effects that may arise in the short and medium term will continue to be limited.

The net amount of Grupo SANJOSE's turnover amounts to EUR 454.5 million in the first half of 2021. The Group's EBITDA stands at EUR 26.5 million and the net profit amounts to EUR 7.6 million.

Construction revenue in the first half of 2021 stands at EUR 403.6 million with an associated EBITDA of EUR 17.5 million.

The contracted backlog as of 30 June 2021 has remained stable compared to the end of year 2020 with a total volume of EUR 1,816 million, highlighting the construction line that represents 69% of the total (EUR 1,250 million).

At 30 June 2021, the Group reduced its financial debt by 23.4% compared to the end of the 2020, resulting in a net cash position of EUR 188.9 million.
